# NEED A HIGH QUALITY, LOW COST, QUICK TO DEPLOY WHISTLEBLOWING APP? CONTACT US TODAY

## COMPLY WITH THE EU DIRECTIVE ON WHISTLEBLOWER PROTECTION:

- ▶ provide multi-level whistle-blower's identity protection
- ▶ implement clear procedures
- ▶ define measures for protection against retaliation
- ▶ confirm receipts of the reports and provide follow-ups to the whistle-blower in due time
- ▶ keep received reports in a secure place

The app is customizable, and we are happy to adapt it to your needs.

## HOW FAST AND HOW MUCH?

The standard application is deployed within only **ONE WORKING DAY** after your subscription.

Monthly subscription fees:

- ▶ 1 – 150 members/employees **150 EUR**
- ▶ 151 – 500 members/employees **1 EUR per member/employee**
- ▶ 501+ members/employees, NGOs and NPOs  
**Contact us for a quote.**

The number of users is unlimited.

Customization is free when subscribing for 3 years or more, or if you are an NPO or an NGO.

## WORRIED ABOUT BEING OVER- FLOWED WITH MALICIOUS REPORTS?

We upgrade the application by embedding behavioral economics in the reporting process to improve honesty. This way you benefit from receiving fewer reports but of higher quality!

## NO UNDERLYING POLICIES?

We have prepared the most important sample documents, such as the procedure for the reporting channel, the policy on the protection of whistle-blowers against retaliation and various triage and investigation report samples.

## STILL NOT SURE?

Test it yourself! Apply for the free demo access at [www.abctransparency.com](http://www.abctransparency.com)

We have helped numerous organizations in public and private sector, NGOs and NPOs. You are most welcome to ask for reference contacts.
